

OperaBuffs of Western New York Inc. is an organization of aficionados of opera and vocal music in the greater Buffalo area. Our primary goals are to heighten awareness of the art form in the community, enhance understanding and appreciation of it, and to foster its performance. To these ends we sponsor monthly lectures; we alert our membership to both broadcast and accessible live performances; we arrange tickets and often dinner (sometimes transportation and even lodging) for selected events/excursions; and we engage local talent for performance several times a year.

Ours is a congenial group and we invite you to join us. For a one-year membership, which will entitle you to all our newsletters and notices, please fill out the application below and send it with a check in U.S. funds, payable to *OperaBuffs*, to:
